GIFT SHOP UPDATE

Where has the time gone? Here we are in August and I can hardly believe it! My children will be back in school in no time and I imagine so will most of yours. There are many ways to look at it; the kids need their routines back, the parent’s need a small break, and of course school shopping.

The kids get it all in August so we want to remind all of the parents to take some time for them. Come down to Native Renaissance II and see what we have new and of course **on sale**. There is always so much here. We hear from our customers on a daily basis, “Wow”, “I like how you keep things changing”, or “What a great selection”. So come down and see for yourself.

We have our new line of mug rugs, mouse rugs, and book rugs, feathering designs from the well know **Penelton Collection**. We also have a **large selection of books** that just arrived. New **bone jewelry** and miniature replicas of **Caribou Skin teepee’s**.

I feel the need for a **sale soon** so keep watching. My tentative date is the September long weekend. I’ll keep you posted. Until next time, stay cool and enjoy the remainder of the summer.

Sincerely,
Rhonda

ART GALLERY UPDATE

Hello, once again from the beautiful Gallery here at Native Renaissance II. I wish summer could stay all year long. I just love it!

New in our Gallery for the month of August we have floor **Eagle lamps** and **table top lamps** to match. Very unique designs. They are very realistic and would become a functional conversation piece in any décor.

We also have two new original paintings by **Mark Neal** a local Mohawk artist; “**A Mother’s Love**” and “**Making Time**”. “A Mother’s Love” brought out protective emotions in me and has become one of my favourites. “Making Time” tells a story of long ago and needs to be seen to be heard. Both are amazing works of art!

As always we have a fresh selection of prints to suit any room and budget, and don’t forget to take some time to enjoy the beauty of **Thomas B. Maracle’s** stone sculptures.

See you soon,
Sharleen
