

**HAPPY NEW YEAR!!**

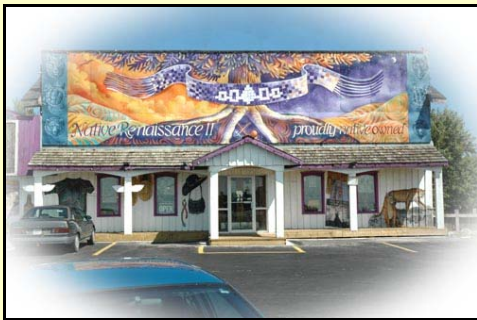

I hope your holidays were as perfect as they could be. I personally had a great holiday and enjoyed having time to spend with my family. Life is so busy that we don't seem to make time for each other and I was glad the holidays came because that allowed me the time I needed. It was awesome!

Now on a business note – I want to let you know that we have some fabulous new jewelry for your viewing pleasure in store. I can only say it's amazing how talented the Navajo are when it comes to silver and turquoise. Our new jewelry by Native artists Herbert Joe, Irene Pine, and Alex Sanchez are an absolute must see!!

So while you are enjoying this lovely spring weather in January you might want to consider a trip to see us and all of our new items.

Sincerely,  
Rhonda Doreen

**ART GALLERY UPDATE**

Thomas B. Maracle has 5 new 'must see' sculptures on display in our gallery and we have the pictures online here: <http://www.nativerenaissance.com/originals1.htm>

New to the gallery this month are several original acrylics on canvas portraits by Spencerville artist Vicki Fawcett. Each portrait has been brought to life with the help of historical photographs and Vicki's unique use of colour.

We also have a wonderful selection of Native Flutes handmade from cedar, birch, walnut, maple or mahogany. They are easy to play and sound beautiful. Come in and give one a try!

Our Christmas sale on Debi Fitzgerald's poster 'wolves' has been extended. These are high quality varnished posters that retail for \$40.00 on sale for \$5.00 in our gallery! Email us if you are interested in purchasing one. Have a Happy New Year, and all the best in 2007.

Sincerely,  
Sharleen Alexander
