GIFT SHOP UPDATE

Yeah! March Break is here!! I'll bet many of you with kids or grandchildren are hearing that this week. So what to do if you have only a couple of days off? Well, why not take a drive to **Native Renaissance II**. We have been preparing for march Break and have some great sales planned. New Stock, awesome fudge and changes to the Gift Shop and Art Gallery will make the drive worth your while.

We have brought in for the first time a product I am so excited about....**Sequoia**...a totally handmade Body and Bath line from the **Kahnawake Mohawk Territory, Quebec**. Once you see, smell, and try this new product you will never want to use anything else. It's awesome!! So come down for a drive, see what's new and try out **Sequoia** for the first, but I assure you, not the last time.

See you soon,
Rhonda

ART GALLERY UPDATE

It is hard to believe we are already in March. Only one month before the grass starts growing again. With the nice weather just around the corner why not plan a trip to view our newest prints from artist **Blake Richardson**. His images found in nature are very interesting.

Blake takes photographs of a natural form and paints his vision into the picture. You can see him transform tree bark into turtles, clouds into spirit animals and rocks into butterflies. Some of his paintings have over 40 hidden images!

We also have new canvas prints of Wolves, Orca Whales, and Polar Bears by various artists. They are spectacular and only \$140.00

We are getting closer to spring every day! Don't forget to put your clocks ahead on Saturday and come for a drive to our beautiful Gallery.

Hope to see you there!!
Sharleen
