GIFT SHOP UPDATE

Okay, I must admit snow for Easter was well...hmmm...not so desirable. If it had of been say December 25<sup>th</sup> I may have jumped with joy, broke out my boots and rolled out a quick snowman to celebrate. And now? A couple of short weeks ago we were already outside with sun screen in one hand and hats on our heads.

With all of this unpredictable weather I pondered over a fabulous idea: Why not just **deal** with it as it comes? Thus deciding to **deal** out some great specials. Sales, sales, and more sales -- Perfect for **Mothers Day!**

We have a bunch of new stock arriving this month: new blankets by artist "**Gordon Fiddler**", new clothing (hoodies, hats, t-shirts, and vests), lots of Dreamcatchers, and as always loads of Jewelry to choose from.

Our fresh fudge is still available and we have expanded our collection to include **Sucrose Free Fudge** so everyone can enjoy this awesome treat!

Now on a more serious note, we can't forget that May 13<sup>th</sup> is Mothers Day. So take some time for your Mom with a phone call, a visit, or a special memory. This will make you and your Mom feel special. Enjoy your Mothers Day,

Sincerely,  
Rhonda Doreen

ART GALLERY UPDATE

Hello from lovely Tyendinaga Territory! In our Gallery this month we have two new paintings by **Amy Keller**, a fresh young artist. They are limited edition gicleé prints on canvas. One is of a beautiful Black Stallion entitled "**Black Night**" (#4/15), and the second is entitled "**Secret Guardian**" a peaceful painting of a small Saw-whet Owl in the forest at night (#2/25). Both are gorgeous.

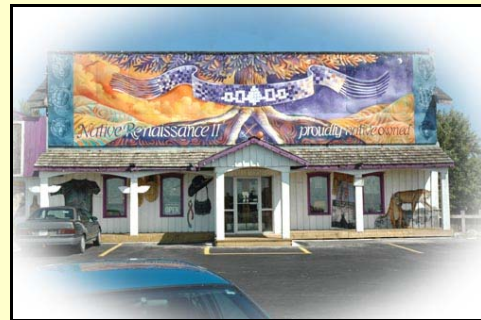

Also new this month is another original acrylic painting by talented Spencerville artist **Vicki Fawcett** entitled "**Girls**". It is an interesting painting of a circle of young girls looking back at something of which we can only imagine. It is a re-creation of a historical photograph by **Edward Curtis**. I love this painting!

We have many new larger nature prints with solid wood frames of wolves, eagles, deer and moose to name a few. They would look great above a sofa or as a focal point in any room.

The nice weather is fast approaching and we look forward to seeing you here at our Gallery very soon and Happy Mothers Day to all the moms!!

Sincerely,  
Sharleen Alexander
