GIFT SHOP UPDATE

Wow! Here it is September. My kids and many of you have kids excited or not so excited about going back to school. New clothes, backpacks, notebooks and binders. My list goes on and on. Therefore as a Mom and the person who decides on sales here at the gift shop I felt it was a perfect time for a 'Pamper the Adults Sale'.

Our fudge, regular price \$14.50/lb (\$3.10/100gm) on for \$12.50/lb (\$2.15/100gm). Plus, just in time for fall, fleece lined slippers in hunter green and brown with sheepskin collar now 20% off. Jackets, 25% off selected styles. Candles, stock up for winter with Yankee votives and tarts take 20% off our already low prices. As well as these sales there will be more for you to feast your eyes upon so come down and take part in our pamper the adults sale **Sept 1st to Sept 9th**.

Now for the new stuff. We finally have the long awaited **Rain sticks & Didgeridoo's**; the most unique musical instruments. Plus a great selection of turquoise has just arrived and coming very soon; New design of t-shirts. Something for everyone (hopefully ☺)

Oh yeah, we also have a large selection of great decals back thus leaving me very excited about all of our new and exciting sales and products. So don't waste time. What are doing - I assume planning a trip down.

See you soon,
Rhonda

ART GALLERY UPDATE

With fall around the corner I hope everyone has had an enjoyable and relaxing summer. Where does the time go?

In the Gallery this month we have the newest **Johannus Boots** limited edition 'One Creed' which is stunning!! It portrays a woman emerging from a stream engulfed in the beauty of nature and the mystery of life. Johannus wanted to show that we are all connected to each other in this beautiful life. If you haven't seen his work before, or if you are a fan, this one is a must have! Hurry in, these are going fast.

We also have new wood burnings by Canadian artist **Ron Landry**. One of a kind and beautiful for any décor. His wolves, eagles, and landscapes are wonderfully done!

Also local Mohawk artist **Mark Neal** has released his newest piece 'Healing Spirits' an original painting. It is of a magnificent buffalo with the spirit of those who depended on & honoured them. Hopefully the re-introduction of the wild buffalo to tribal lands will help heal the spirits of both.

So as we get back into our routines please take some time to visit the Gallery this fall and enjoy a feast for the eyes. Especially our stone sculptures by **Thomas B. Maracle** - one of a kind beauty like you have never seen!! See you soon.

Sincerely,
Sharleen Alexander
